

Dear Patient

Welcome to Sonning Common Health Centre

It can take some time for your medical records to arrive from your previous doctor's surgery. In order to help us to provide the best service possible we would like you to complete the enclosed forms and return them to us as soon as possible, along with proof of address eg. utility bill, bank statement etc.

Our website is www.sonningcommonhealthcentre.co.uk and it provides a range of information for new patients.

We like to communicate by text message and email with patients where possible. We will only contact you by text message and email if you are happy for us to do so. Please indicate your preference on the enclosed new patient questionnaire.

If you have been issued with a repeat prescription by your previous doctor and wish to continue with this repeat you will need to make an appointment to arrange this with a doctor at our practice.

If you are a carer or if you are cared for please advise our receptionist and we will give you a copy of our carers form to complete.

Yours sincerely

Mrs Katie Williams
